# Welcome!

Welcome to Strong Tower Haiti's Vacation Bible School!

One of Strong Tower Haiti's (STH) core values is learning together. Therefore we thought, "what better way to learn together than to share VBS in Caracol, Haiti, the kids here, and you, not as a teacher but as a student.

With this in mind, we invite children and adults alike to join the VBS team in Haiti in studying, learning, and praying. This is an opportunity for you to study with not only the kids in your life but the kids in Caracol, Haiti as well.

In the following adult guide, you will find Old and New Testament readings, scriptures to meditate and pray on, and questions to strengthen your understanding.

We strongly encourage you to keep up with VBS in Caracol on Strong Tower Haiti's Facebook and Instagram pages. This is how we will virtually learn together.

Please share pictures and videos of your VBS with us by tagging Strong Tower Haiti in your Facebook and Instagram posts.

We are so excited about this opportunity to learn together. We have been praying about you and this time of study you are about to embark.

The name of  
the Lord is a
