# Craft

## Fire Stick

### Materials

Red, Yellow, and Orange Crepe Paper

Jumbo Craft Stick

Tape

Stapler

### Create

1. Cut the crepe paper into lengths of 6 to 12 inches
2. Cut one end of the crepe paper into a point
3. Staple the other end of the crepe paper together
4. Use tape to secure the paper onto the craft stick

### Idea

- Tell the story of Elijah with the fire stick. When the prophets of Baal call for the fire, keep the fire stick still. When Elijah calls for fire, wave the fire stick.

# Recreation

## Parachute

Have fun waving the parachute as fast and as crazy as you can! To connect the activity to the story of Elijah and God as the One True God, retell the story of Elijah and the prophets of Baal. When the prophets of Baal ask for fire, keep the parachute still. When Elijah asks God for fire, make the parachute go CRAZY just like the fire did in the story.

## Marco Polo

Cool off from the summer heat in the pool and play Marco Polo while thinking about the story of how Jesus changed Saul's heart. When Jesus appeared to Saul, he was blind for # days. Search for your Ananias (Marco) and think about Jesus changes your heart.

# Strong Tower Haiti's Memory Verse

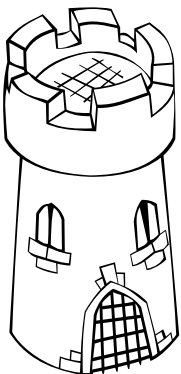

The name of the Lord (lift your hands up to God)

is a strong tower; (show your muscles)

the righteous run (run in place)  
to it

and are safe. (cross your arms over your chest)

**Proverbs 18:10**

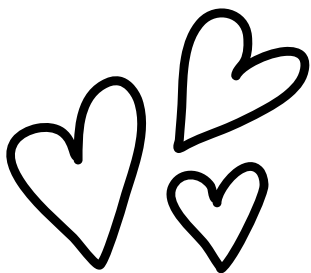

# Song: Jesus Loves Me, No Turning Back

Jesus loves me,  
no turning back

Jesus loves me,  
no turning back

Jesus loves me,  
no turning back

Alleluia
