# Craft

## Lion Mask

### Materials

Crayons

Scissors

String

### Create

1. Cut out the eye holes and make small holes or slits for the string on either side of the face.
2. Color the lion mask
3. Tie string onto the mask to fit child's head

### Idea

- Wear the lion mask while playing Red Light, Green Light. The lions obeyed God, and didn't harm Daniel. Similarly, you must listen to and obey the leader while playing the game.

# LION MASK

# Craft

## Pipe Cleaner Glasses

### Materials

Pipe Cleaners

Scissors

### Create

1. Form two pipe cleaners into circles
2. Cut a pipe cleaner to about two inches to connect the two circles
3. Twist a pipe cleaner around the other side of each circle and shape around child's ear

### Idea

- Wear the glasses while playing Simon Says to help you watch the moves closely. How is closely watching and listening to the leader's moves and commands similar to how we should focus on God?

# Recreation

## Red Light, Green Light

Hey Lions! You better listen to the leader and STOP when you hear red light just like the lions stopped and didn't harm Daniel.

## Simon Says

Play Simon Says and listen closely and obey the leader just like the storm and all creation obeys the commands of the Lord.

# Strong Tower Haiti's Memory Verse

The name of the Lord (lift your hands up to God)

is a strong tower; (show your muscles)

the righteous run (run in place)  
to it

and are safe. (cross your arms over your chest)

**Proverbs 18:10**
